INSTRUCTION TO AUTHORS

About Journal:

INDIAN JOURNAL OF APPLIED-BASIC MEDICAL SCIENCES is an open access, peer reviewed journal. The Journal is inviting original research work, articles, original review articles, case reports, and short communications of interest to medical fraternity.

The journal is published by Published by: **FORUM: Fraternity of national Research & pUblication Society of Medical sciences: FORUM** registered UNDER NON-PROFIT SOCIETY AND CHARITY ACT [Reg. No GUJ/17809/Ahmadabad and F/17323/Ahmadabad] This open access journal is published online and print format since 1999 one of oldest and pioneer journal of Gujarat India. This has remained, pioneer leader, inspiration and guide of so many Indian journals which arise later on all over across the country.,

Aim and scope of Journal:

The aim of journal is focused on integration of Applied -Basic medical sciences i.e. subjects which are taught in medical and paramedical colleges by preclinical and clinical teachers. It is a FORUM for scientific communication among teachers of applied basic medical various of medical colleges of India. Data and information that are useful to investigators in various discipline in medical sciences especially in context to integration

and communication. The journal is very good platform for integration of various medical subjects both horizontally and vertically as always emphasized by Medical council of India. This platform opens a scope for expanding horizon of integrated researches and research in medical education per se. It is observed by editorials that there is a genuine deficit in output channel of integrating applied basic medical sciences. And Indian journal of applied basic medical sciences provide a communication channel and is trying and aimed to fill this deficit.
